If there are any areas/topics within Safeguarding you would like to look at in more detail going forward feel free to contact me with suggestions.

I hope that everyone is having a great Summer so far.

I would like to take the opportunity this month to thank everyone involved in Safeguarding within the District for all their efforts. There are many legal requirements that we have to comply with across the District and I feel blessed that there are so many people that take this responsibility seriously and help to support our compliance. We have been commended Connexionally for our DBS compliance, and that is testament to all of those that work so diligently to monitor and maintain records, and ensure that rechecks are completed expeditiously. Safeguarding training continues to be in something of a lull due to “Covid 4 years on” but what I am expecting is an explosion of demand in the next year. As such I would encourage everyone to check on renewal dates and be proactive on booking on an available course, or contacting me to arrange one to be ahead of the curve, as I suspect 2025 to be busy with courses booking up quickly.

Best wishes

Neil
