East Anglia District
Safeguarding Report
Synod September 2018

GOOD PRACTICE

TRAINING

SAFEGUARDING

Safeguarding Forum

The Forum in May in North Walsham considered the manner in which the Past Cases Review Apology should be communicated through the churches in the District. Following these discussions, we have produced a document which not only presents the Apology but also details the great advances we have taken in safeguarding children, young people and adults who are vulnerable as well as ensuring that we respond appropriately to victims and survivors of abuse. Please distribute this in your church.

Those present also looked at some of the Essential Preparation materials for the new Advanced Module Training. This training is now available, please see dates below and contact me for the Eventbrite link to book your place. The list of who needs to attend this training is on the District web page.

The Spring Forum is in Thetford, on January 11th, 14:00 - 16:00. I would encourage all those who have a Safeguarding role in the church to attend.

DSG ...Who are we?

The District Safeguarding Group is an active group which manages safeguarding issues and practice within the District. We are a multi-agency group with an independent chair.

The DSG are currently developing a three year safeguarding plan for the District.

A new poster with your Safeguarding contacts' numbers is now out. If there is not one up in your church, please ask.

The "Safeguarding policy, Procedures and Guidance for the Methodist Church in Britain" has been updated AGAIN, as of May 2018. Please refer to this when updating Circuit and Church Safeguarding Policies as there are number of changes to the model policies.

GDPR Privacy Notices

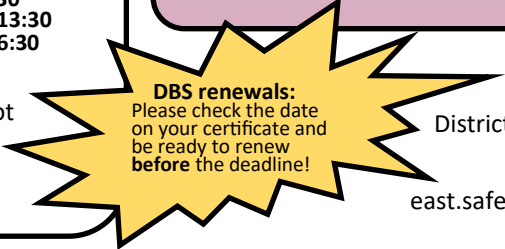

The General Data Protection Regulations have now come into effect. There are privacy notices available on the Methodist Church website for key holders, volunteers and other roles.

NEW! Advanced Module Training

Dates for this Autumn are:

- Oct 15th Ipswich 12:30 - 16:30
- Nov 10th Cambridge 09:30 - 13:30
- Dec 11th Fakenham 12:30 - 16:30

Please contact me if you need to attend but have not received an email with details of these.
